Into This World

a novel by Sybil Baker

in paperback original and ebook editions from Engine Books

*The answering machine picked up after the fourth ring.
“Are you my father?”*

On the day Allison Morehouse walks off her job, her sister Mina calls from Korea, frantic and in tears. Determined to discover the truth about her adopted sister, Allison flies to Seoul, yet Mina—and Korea—are nothing like Allison imagines.

Over the next three months, Allison and Mina will unearth thirty years of family secrets—and Allison will discover in Mina the sister she never embraced, and in herself, the stronger woman she can be.

This story of sisterhood, betrayal, and a tangled history of love and deception will carry you halfway around the world and deep into the hearts of two sisters whose fates were shaped by a long-lost love and the lies it spawned...and the history of a country and a man they never understood.

**SYBIL BAKER IS ONE OF “TODAY’S STRONGEST EMERGING TALENTS
IN LITERARY FICTION” —THE HUFFINGTON POST**

ABOUT THE AUTHOR

Sybil Baker is the author of two books of fiction, *The Life Plan*, a comic novel, and a linked short story collection, *Talismans*. Her MFA is from the Vermont College of Fine Arts. She spent twelve years teaching in South Korea before returning to the States in 2007. She is an Assistant Professor of English (Creative Writing) at the University of Tennessee at Chattanooga.

ABOUT ENGINE BOOKS

Engine Books is a boutique fiction press publishing novels, short story collections, collected novellas, and related volumes. We publish four titles each year, ensuring full attention to the editing, production, and promotion of each title. In October 2011, Engine Books published *Other Heartbreaks*, the new story collection by Patricia Henley, followed by Myfanwy Collins’ debut novel *Echolocation* in March. Forthcoming titles include an original story collection by award-winning novelist and short story writer Gregory Spatz, and novels by Courtney Elizabeth Mauk and Nan Cuba.
